Finger Puppets

Supplies needed:
Scissors
Markers, crayons, or colored pencils

Directions:

1. Color the finger puppets with crayons, colored pencils, or markers.

2. Cut out the shapes of the finger puppets and the finger holes. Get an adult if you need help.

3. Have fun!

Optional ideas:
To make the puppets sturdier, use a pencil to trace the finger puppets on oaktag paper or thin cardboard. Cut out the shapes and glue them onto the back of the finger puppets.

Glue on googly eyes, glitter, or cotton balls.
